

The image shows an outdoor event space, likely a courtyard or patio, set up for a formal occasion. The floor is made of dark wood planks. In the center, a long, narrow white runner leads towards the back of the space. On either side of the runner, rows of wooden chairs are arranged. The chairs have white fabric draped over the backrests. In the foreground, there are several wooden planters filled with white daisies. The background features a large, ornate white archway decorated with flowers and lights. The walls are light-colored with decorative elements, and there are trees and plants around the perimeter. The overall atmosphere is elegant and romantic.
